Hafez ibrahim and Atef Babel st.
Portsaid , Egypt.

Dawlia security company for Guarding & Services is a major company based in Port Said, specialized in security and guarding services and providing the state of the art of security to many important establishments supported by highly trained security officers. The company is joint stock Egyptian company (with total capital of 1,000,000 L.E).

DSC was founded since **1995** , The company is licensed from Ministry of Interiors to execute the Security and Guarding works. Its personnel are licensed to carry fire weapons in accordance with Law No. **394/1954** and its regulations.

DSC provides the security services to many important sites (Strategic, petroleum, banking, industrial and commercial establishments) , and the company is also registered at **Egyptian general petroleum corporation (EGPC)**.

DSC has a department specialized in securing trucks during their migration from and to ports by a security vision carried out by highly qualified security officers using state of the art technology (**Wireless devices – Mobiles Firearms or sound weapons ...etc.**). Due to the deterioration of security conditions in the country lately, the inquiries for this service has increased from the clients either shipping agencies or industrial & commercial companies in order to protect their properties from robbery.

This service is rendered through a private operation center to following up and reporting in details the **trucks movement to their destination**.

WE ARE HONORED TO WORK WITH THE EUROPEAN SECURITY FOR ORGANIZING WITH ALL THE EGYPTIAN SECURITY TO INSURE DRILLINGS THAT WORK IN SUEZ CANAL , THAT EXIST IN THESE MULTINATIONAL COMPANIES .
